DISCOVERY EDITION

Date · Venue · Capacity to be confirmed

— WHY SPONSOR THIS EVENT

When students enter a new environment, useful brands earn attention.

The festival brings learning, skills, wellbeing, social connection and local life into one experience. Sponsors meet young audiences by adding real value.

- 01 Reach local young people**
Meet students entering a new school or stage.
- 02 Connect the ecosystem**
Students, schools, families and community take part.
- 03 Continue the conversation**
Extend the experience through compliant opt-in.

— WHO YOU WILL MEET

One freshers experience. A connected youth ecosystem.

S

New and current students

Belonging, interests, skills and social connection

G

Parents and guardians

Supporting choices, participation and consent

SCH

Schools and P&Cs

Student support, partnerships and resources

C

Youth and community groups

Local services, clubs and growth opportunities

Event
ecosystem

Student experience · School participation · Family support ·
Community connection

— HOW YOUR BRAND SHOWS UP

Place your brand inside an experience students choose to join

A sponsor is more than a booth. Give students a reason to stop, make, move, ask and connect.

Brands that can add something useful to the freshers experience

01

AI / STEM

Hands-on technology, creativity and digital skills

02

Education & pathways

Clear, credible learning and growth support

03

Sport & wellbeing

Movement, wellbeing and positive participation

04

IN-KIND

Equipment · Gifts · Venue · Expertise

For contributions that directly improve the student experience.

— CLEAR, MEASURABLE DELIVERABLES

Every sponsor right maps to a defined output.

01	Brand presence	Key visual · Event page · On-site assets	Delivered to agreed scope
02	Content reach	Pre-event content · Student topics · Partner acknowledgement	Content jointly reviewed
03	Live engagement	Zone · Booth · Short talk · Student challenge	Age-appropriate by design
04	Outcome report	Participation · Engagement · Compliant opt-in	Verified results only

— RESPONSIBLE YOUTH ENGAGEMENT

Protect young people. Protect sponsor trust.

Clear consent, privacy and on-site rules protect participants and the brands that support them.

01

Consent-based contact

Follow-up uses actively selected channels only.

02

Role-based screening

Checks and records match actual responsibilities.

03

Separate media consent

Participants can choose not to be photographed.

04

Managed interaction

Engagement is open, age-appropriate and supervised.

05

Brand content review

Categories, messaging and gifts are approved first.

06

School rights respected

Names and logos require written permission.

Connecting schools, P&Cs and the local youth community

AGREED TOGETHER

- 01 Event purpose and participation scope
- 02 Venue, promotion and staff responsibilities
- 03 Sponsor rights and partnership format

CLEAR BOUNDARIES

- 01 No unauthorised school names or logos
- 02 No implied endorsement of sponsor products
- 03 No request for or delivery of student lists

— READY TO DELIVER

A proven operating system, adapted to each event format.

Registration, check-in, live engagement, prize draws and reporting can be configured for a school, community or public event.

- Registration
- Check-in
- Live engagement
- Outcome reporting

— LET'S DEFINE THE EVENT

Five decisions to make together

Date and time	TBD
Venue	TBD
Schools / community partners	TBD
Capacity and attendance	TBD
Partnership package	CUSTOM

Once objectives are clear, we will provide a tailored proposal and quote.
